Career Objective

Passionate and detail-oriented Frontend Developer with 6 years of coding experience and 1 year of professional experience at a leading on-demand service marketplace. Proficient in modern web technologies, including React, Next.js, and Tailwind CSS, with a strong focus on creating responsive and user-friendly interfaces. I aim to leverage my technical skills and industry experience to contribute to a dynamic development team and delivering exceptional user experiences.

Professional Experience

Web Developer Intern

Aptech Hardware and Networking Academy

June 2018 – September 2018

- Designed and developed custom websites tailored to client requirements using HTML, CSS, and JavaScript.
- Created responsive layouts to ensure compatibility across different devices and screen sizes.
- Implemented SEO best practices to improve website visibility and search engine ranking.
- Worked with senior developer to write code for projects from scratch and also modify existing projects to improve browser compatibility and mobile responsiveness.

Python Developer Intern

Aptech Hardware and Networking Academy

February 2020 – September 2020 / Port-Harcourt, Nigeria

- Built an e-commerce store using Flask, integrating products from a REST API, with

functionalities for adding and managing cart items.

- Developed a CRUD contact management system with Flask and MySQL, allowing users to efficiently store, search, and manage contact information.
- Developed desktop applications using Python and PyQt for creating intuitive graphical user interfaces (GUIs).
- Utilized version control systems like Git to manage project code and collaborate with other developers.

JavaScript Developer Intern (React Js)

Aptech Hardware and Networking Academy

June 2021 – September 2021 / Port-Harcourt, Nigeria

- Designed and developed custom web applications for diverse clients, ensuring high-quality and maintainable code.
- Utilized HTML, CSS, JavaScript, and modern frameworks like React to create interactive and responsive user interfaces.
- Worked closely with clients to understand their requirements and deliver tailored solutions within deadlines.
